Using the very latest techniques and procedures, Dr. Hamm can give you the smile you've always wanted - comfortably and quickly, with results that will stand the test of time. From your first dental visit to complex restorative and cosmetic techniques, Dr. Hamm brings state of the art technology and cutting edge dental services to your entire family in a welcoming and friendly environment. Comfortable treatment rooms, an inviting atmosphere, and personable team members combine to put you at ease at every visit.

As a longtime Mansfield resident, Dr. Hamm is proud to offer her services here. She is actively involved in the community and enjoys building relationships with her patients and their families. "I believe in getting to know my patients on a personal level and prefer to address their dental health in relation to their overall health," said Dr. Hamm. "I want to keep my practice relationship oriented and create beautiful smiles along the way." This philosophy is shared by her team as they strive to understand your goals, concerns, and expectations while supporting your health and wellness. With comprehensive general, restorative, and cosmetic dentistry, Dr. Hamm and her team will help you achieve a spectacular smile, then maintain it throughout your life.

Dr. Hamm has distinguished herself as a SuperDoc because of her outstanding expertise and dedication to her patients.
