

FINANCIAL ARRANGEMENTS

We appreciate your confidence in us to provide you with excellent dental care.

These are the following financial options we provide.

- 1) Payment in full at beginning of complete treatment plan over \$1500 allows us to extend the following discount: 7% cash or check 4% credit card.
- 2) We can provide you a choice of several extended payment options with comfortable monthly payments, several are interest free for 6 to 24 months.

In our effort to keep cost down and be environmentally conscious we have eliminated billing and sending monthly statements. If you have dental insurance your options are:

- 1) Payment in full at the time of service, we will file your insurance and you will receive direct reimbursement to you from your Insurance Company. (usually in less than 2 weeks)
- 2) We will take Insurance assignment if:
 - 1. You pay your estimated portion at the time of service
 - 2. You leave a Credit Card number on file for any unpaid portion. We will charge the Credit Card any unpaid balance after your Insurance has paid or in 30 days. If the amount is over \$150 we will call you before processing your card.

Your insurance policy is a contract between you and the insurance company. Dr. Hamm is not contracted with any insurance company. Our relationship is with you, not your insurance company. As your dental provider, we will file your claim for you. Your insurance carrier may not approve or reimburse your dental services due to usual and customary rates, benefit exclusions, coverage limits, lack of authorization or dental necessity. We will not become involved in disputes between you and your insurance carrier.

If you have any questions, please feel free to discuss them with us. It is our goal to provide you with the highest quality of care and service.
